VS.

Case No. 4:06CV1404 CDP

RAY COIBION, et al., )

Defendants.

Plaintiffs have a pending motion for summary judgment. Defendant Ray Coibion had requested additional time from this court in which to file additional affidavits and responses to plaintiffs' motion. I granted Coibion this additional time, but he did not file any additional information. Plaintiffs have not yet filed a reply brief, and I will grant them until **June 29, 2007** to do so if they believe that such a brief is necessary. In ruling on plaintiffs' summary judgment motion, I will limit defendants to those facts that are supported by authenticated documents in the record.

**IT IS HEREBY ORDERED** that plaintiffs may file a reply brief to their

summary judgment motion by **June 29, 2007** if they deem such a brief to be necessary.
